

Balga Primary School – Parent Survey 2021

In planning for 2022, Balga Primary School is looking to gain the perspectives of our parent and community. To do this, we have created a Parent Opinion Survey to allow you to provide this feedback in a quick and effective way.

Balga Primary School is a great place and one where we value the voice and perspective of our parents and community. We would love to learn more about what we are doing well and what we could be doing better to support your child/children. Could you please complete this survey by **Friday 10 December**? All responses are anonymous and confidential and will help in planning for the 2022 school year.

There are a number of different ways you can access the survey. We would love for you to open it up and forward your thoughts, feelings and ideas to help us so WE can continue to AIM HIGH.

If you have any questions regarding the survey, or need help accessing it, please don't hesitate to contact the school.
