Term 2 2025

Term 2 was filled with energy, community spirit and learning, highlighting just how special our school community is.

From the very first week, it was clear this term would be a busy one. Our ANZAC Service was a beautiful and respectful event, with students showing great pride and maturity. Our Year 6 families stepped up to run an Election Day sausage sizzle with Mrs Armstrong and Miss Ruby, raising funds for their upcoming camp. Swimming lessons gave our students the chance to grow their confidence and learn important water safety skills. Parent interviews were held across classrooms in the second half of the term, and it was lovely to see so many families engaging in conversations about their child's learning. This term also marked the return of our P&C, who have made a fantastic start with their first fundraiser at the Lightning Carnival. We are so grateful to have a group of enthusiastic parents and carers stepping up to support our school. The Lightning Carnival itself was a highlight, with our school proudly hosting three visiting schools for a day of friendly competition and sportsmanship. Across the term, students have had the opportunity to connect with a variety of enrichment activities. The Edmund Rice Centre has continued their wonderful after-school programs, and we extend our thanks to their team for providing this valuable partnership. Reading has also taken centre stage this term, with many of our students participating in the 200 Days of Reading challenge and the Premier's Reading Challenge. It really has been a huge term, and everyone deserves a well-earned rest.

ANZAC CEREMONY

SWIMMING LESSONS

Students dove into swimming lessons with great energy and focus! They built confidence and strengthened their water safety skills.

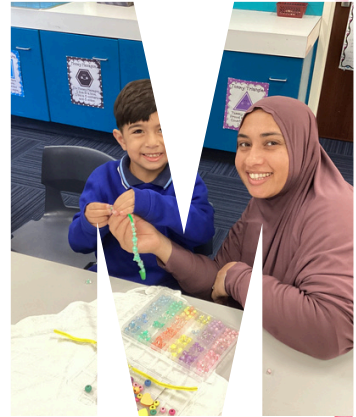

SAUSAGE SIZZLE

We fired up the BBQ once again!
Our sausage sizzle fundraiser
was a sizzling success!

MOTHER'S DAY CELEBRATIONS

RUNNING CLUB LEGEND

The Balga Primary School Running Club would like to congratulate Oliver for recently competing in and finishing the HBF 3km Race! Well done, Oliver!

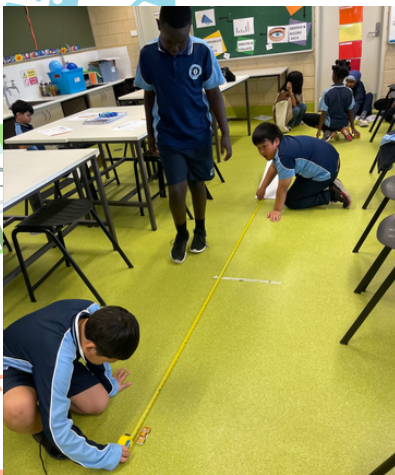

BALGA SHS ORIENTATION

Our Year 6 students were lucky enough to spend the afternoon at Balga Senior High School, providing them with a taste of high school life. It was an amazing experience, and has the Year 6s very excited about the prospect of high school next year.

SCIENCE LESSONS

This term students learnt all about physics in their science classes!

LIGHTNING CARNIVAL

Congratulations to the soccer team for coming 1st place, the football team for coming 2nd and our netball teams for their amazing efforts!
