Term 4 2025

As we come to the end of 2025, it is a wonderful time to pause and reflect on what has been a big year of learning, growth, and connection at Balga Primary School. Our students have shown resilience, curiosity, and pride in themselves and their school, and it has been a joy to watch them develop not only academically, but also socially and emotionally across the year.

Throughout 2025, our classrooms were full of rich learning experiences. Students worked hard in reading, writing, and mathematics, and we continued to strengthen our whole school focus on high quality teaching and consistent routines. Our NAPLAN results reflected this ongoing effort, showing strong growth across year levels.

This year also highlighted the strength of our community. Events such as parent teacher interviews, coffee mornings, cultural celebrations, NAIDOC Week, Book Week, and school concerts reminded us how important partnerships between school and families are. We are grateful for the ongoing support of our parents and carers, and the commitment of our staff, who work tirelessly to ensure every child feels safe, supported, and encouraged to aim high.

As we look ahead to 2026, we do so with pride in all that has been achieved and excitement for what is to come. Thank you to our students for their effort, to our families for their trust and support, and to our staff for their dedication to our school. 2025 has been a year to remember, and we look forward to continuing our journey together.

enjoyed a sausage sizzle.
