Principal Address

Term 2 2026

As we reach the end of another busy and rewarding term, I would like to thank our students, staff and families for their ongoing support. Term 2 has been filled with a wide range of learning opportunities, sporting events and community activities that have enriched the experiences of our students. Throughout this newsletter you will read more about many of these highlights, including the Lightning Carnival, Freeze Frame Opera, our ANZAC Day Service, the Western Australian Symphony Orchestra performance, the Balga Senior High School Orientation event, Running Club, Drawing Club, school assemblies and Children's University incursions.

These opportunities play an important role in broadening students' experiences beyond the classroom. Whether participating in sport, engaging with the arts, developing leadership skills or connecting with the wider community, our students continue to demonstrate enthusiasm, resilience and a willingness to embrace new challenges. We are proud of the way they represent Balga Primary School and encourage them to make the most of the opportunities available to them.

As we head into the holiday break, I encourage families to look for opportunities for children to become involved in community activities beyond school. Whether through sport, arts, cultural groups, volunteering or other community organisations, these experiences help young people develop confidence, teamwork, responsibility and a sense of belonging. The skills and connections gained outside the classroom often have a positive impact on learning and wellbeing, helping children to grow into capable and engaged members of their community.

Principal

BUDDY MORNINGS

This term, our Year 6 students have been running buddy mornings every second Wednesday with some of our junior students. It's a great way for our younger students to form bonds with the leaders of the school, practise social skills...and start the day with a bit of fun. All the students really love these mornings, so they will definitely be continuing into Semester Two

MOTHER'S DAY CELEBRATIONS

Balga SHS Orientation

In Week Three of Term, our Year 6s went to Balga Senior High School for a taster of what high school has to offer. They spent the hour in the Performing Arts centre, playing different drama games. Our students had a great time, and also represented the school with respect and engaged behaviour.

Well done, guys!

WASO String Quintet
21.05.26

FREEZE FRAME OPERA

04.06.2026

LIGHTNING CARNIVAL

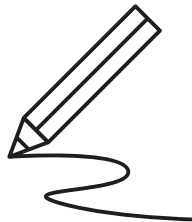

19.06.2026

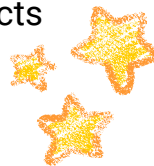

Congratulations to both our A and B netball teams, who finished as runners-up after placing second in their divisions. Our soccer team also had a great day, finishing equal on points with North Balga and Warripendi, narrowly missing out on a trophy due to goal difference.

Friday Drawing Club

Every Friday, students come to Drawing Club to have fun, paint, and draw with their friends. It is a great place to be creative and work on exciting art projects together.
